Tournament Format

Round-Robin play for playoff seedings. One game to 30. No cap.

Ties in pool play will be broken by head to head. A three-way tie will be broken based on point differential in games involving those three teams.

Playoffs will include all six teams with the first and second-place teams receiving a bye. Quarterfinals, semifinals, and finals are all best of three regulation matches to 25.

Warm-up will be 5-5-5 for pool matches 1 and 2. Matches 3-8 will be 3-3.

Work teams need to supply two linesmen and a scorer.
