### **SOUTHERN GIVES BACK!**

Southern Regional High School Soccer team helped out with one major contribution within the community in 2011. The players helped and supported Southern Regional's Challenger League. Southern Regional soccer players were on the field dedicating their Sundays so that people in need could have the same fun and playing experience playing on a soccer team. Pictured up to from left to right from the Southern Boys Soccer team are Shjon Houser, Robby Dengel, Joe Delosa, Anthony Guterrez, Matt Swenson, Phil Vitale, Damien Irons, Ritchey Zennario, and Thomas Lynch. People who also helped but not in the picture were John Starner, Dylan Kanson, Andrew Torre, and Coach Robert Munoz. Coach Brosniak, "As the coach, I want to see success on the field as well as in the community. The personal pride in ones school became evident in their involvement in the Challenger League program. This is our third year doing this and all of the coaches and players would agree that helping another person enjoy the same qualities of life has special meaning and it makes them feel good about supporting others." The Southern Regional Soccer team would also like to thank Coach Frischmann and the Challenger League players and Parents/Guardians for being a part of our program as our extended family and being part of our senior night. We hope to continue this tradition for years to come.
