SOUTHERN GIVES BACK!

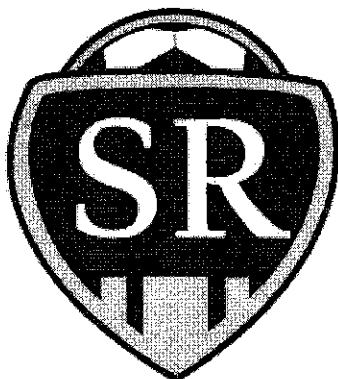

Southern Regional High School Soccer team helped out with one major contribution within the community in 2015. The players helped and supported Southern Regional's Challenger League. Southern Regional soccer players were on the field dedicating their Sundays so that people in need could have the same fun and playing experience playing on a soccer team. Pictured from top left to right from the Southern Boys Soccer team are Coach Brosniak, Luke Kretschmer, Bradley Bischoff, Matt McHugh, Noah Kanson, Anthony Delagarza, Connor Feeney, Simon Lassen, Joe Orrico, John Loftus and, Collin McHugh. Others who helped at other games are Sean Nauta, Andrew Davis, Hunter Ross, & Liam Mulvey. "As a program, I want to see success on the field as well as serving the community. We take personal pride in our school when involved in the Challenger League program. This is our fifth year participating in these events and all of the coaches and players would agree that helping another person enjoy the same qualities of life has special meaning and it makes them feel good about supporting others."

The Southern Regional Soccer team would also like to thank Assistant Principle/POAC Director Mr. Dipietro, Coach Frischmann, and the Challenger League players and Parents/Guardians for being a part of our program as our extended family. We hope to continue this tradition for years to come.
