A Special Thank You To Our Gymnastics Family

With the combination of veteran gymnasts and new team members, we were able to meet head on the season's challenges. As a team, we improved our record and average team score. The efforts and development of the individual team members throughout the season contributed to the overall success of our team this year. The late UCLA coach John Wooden said "success is a peace of mind which is a direct result of knowing you made the effort to become the best of which you are capable."

Of course Mrs. Bleam and I are thankful for the opportunity to have been able to work with these young ladies this year. In addition, we would like to thank all the parents for your support and the character guidance you have provided to these young athletes. It is strong character that opens the door for opportunities to achieve success.
