#### **A Special Thank You To Our Gymnastics Family**

The theme of this year's season was "**STRENGTH**", and our season was certainly a reflection of this theme. With the addition of our JV meets, all of our athletes were able to build experience, which gave us **STRENGTH** and versatility in line-ups regardless of injury or illness. Both individually and as a team, we were able to grow and develop in skills, in confidence, and in score results. Our team record improved from 4-8 last season to 8-3 this season! Our average team score once again improved by over 2 points from the previous season, and we were once again able to qualify as a team for the State Sectional Tournament finishing in 5<sup>th</sup> place. We increased our Shore Conference individual qualifiers by 2 athletes and added yet another individual qualifier to the State Sectionals. Aside from the improvements on the scoreboard, we marveled at the incredible improvements of each and every gymnast. Many girls added new skills, new routines, and new events to their repertoire, proving their ability to grow **stronger** with dedication, perseverance, and tenacity. As coaches, we were filled with pride at the efforts of all of these young ladies this season. We would like to sincerely thank the parents for all of your support and the character guidance you have provided to these young athletes. It is clear that they all come from a place of confidence, love, and determination, and these are the keys to their success individually and as a team.
