**A Special Thank You To Our Gymnastics Family**

This season we have faced many challenges and have witnessed growth in many ways. A look beyond the team's record is necessary to put our season in perspective. The development of the individual gymnasts from beginning to end, along with the consistency of effort, shows that our team has made much progress throughout the season.

Mrs. Bleam and I are thankful for the opportunity to have been able to work with these young ladies this year and be witness to their successes. We have you parents to thank because it is you after all who provide the character guidance for these young athletes. It is strong character that opens the door for opportunities to achieve success.
