Student Athlete/Parent Handbook Review Slip

1. Participation in athletics is a privilege not a right.
2. Student athletes are required to maintain academic standards consistent with our eligibility policy.
3. Student athletes and parents must show mutual respect for all involved in competition – teammates, opponents, coaches and officials.
4. Student athletes must be present in school for a minimum of 4 hours on days of competition and practice in order to participate.
5. Athletes must learn to abide by rules, regulations and decisions associated with their particular sport. It is the coach's responsibility to determine an athlete's ability and talent, which students shall make the team, and the coaching techniques and strategies that will be employed.
6. **NO tolerance** for hazing, alcohol or drugs in this athletic program.
7. Student athletes are to respect and abide by rules set by the coach of their particular sport.
8. Athletes must have a completed physical packet in order to participate.
9. Student athletes will, at all times, display good character and respect. Athletes are representatives of our school!!
