SOUTHERN REGIONAL ICE HOCKEY

Message from the President to the Players

I have observed and been associated with hockey and young men's hockey longer than you have had visions of ice and skates (and for Kara and Noelle longer than you have been baking cookies) and for some of you even longer than your parents have been alive. So players **this** is experience talking to you.

Boys , I have no doubt that you will read this program quickly, accept the accolades from your coaches fleetingly , dive into the food and then try to set new tweet , selfie and snapchat records before school tomorrow morning.

Before all that and on your way home, give a copy of this program to your Mom or Dad and ask that they put it in a safe place so you can read it in **2026** and every so often thereafter. By then you will smile at the pictures of your team and teammates. You will laugh remembering some of the crazy things you did on the bus, at practice and the games. In 2026 and beyond you will remember the names of every player on the team and maybe even text one of two about "old" times.

There is even a chance that some of you will be putting your daughter and son on skates for the first time or maybe even be their "just starting" coach in whatever sport they choose – let's hope it's hockey! In doing so you will realize just how interested in your development your coaches at Southern were and how hard they worked to not only make you a better hockey player but also to instill in you Ram Pride. But for now and on your way out of the building tonight, give them a fist bump and a thank you from the heart.

Above all and in 2026 after re-reading this program hiding in the scrapbook in the closet *all those years* you will understand even more than you already do now, just how much your parents were, and are, proud of you and your hockey, and just how very much they love you. For tonight, give them a big "Thanks" and an even bigger hug.

Good night, good luck and watch out for the flying pucks!!

Grove, or for some of you "Grandad"

DRAW YOUR OWN LINE

Jetty was formed in 2003 with the intention of supporting the community of artists and athletes that surround us. Throughly working positive energy, we aim to inspire others to involve themselves in our culture and pass our roles on to future generations. Our highest ambition is to foster passionate paths, so that travel, music, art and unique experiences become more apparent.

KNOWING THAT WE HAVE MOTIVATED MANY OF YOU TO DO SO IS THE SPIRIT OF THE JETTY LIFE.

Jetty is a grassroots effort with a special touch of garage music and dust. We design and print one-of-a-kind apparel almost entirely in-house at our Southern NJ warehouse. We use an Eco-friendly, water-based ink system to minimize our environmental impact, control the quality of product from it's inception to it's delivery and also offer our expertise to other companies/brands. We take pride in giving back to our community via our Jetty Rock Foundation, the 501(C)(3) nonprofit arm of our brand. Our DYOL (draw your own line) continues to innovate, inspire and pursue our passions.
